SOAP THROUGH THE PROVERBS

Thank you so much for deciding to read and SOAP through Proverbs for the next 31 days. It is my prayer that you hear God clearly each day as you read and journal your thoughts...and that His Word echoes in your heart and mind for ages.

The reading plan is rather simple. You will read one chapter of Proverbs each day of the plan. At the end of the 31 days, you will have read all 31 chapters of Proverbs.

Before reading each day, pray and ask God to guide you through His Word and clear your mind of distractions. *While* reading, think about SOAP and then journal about it using the acrostic SOAP as a guide.

S: SCRIPTURE

What specific verse stood out to you most in today's reading? Can you pinpoint just one verse? Record it.

O: OBSERVATION

Rewrite this verse, sharing its message in your own words. What is it saying to you specifically?

A: APPLICATION

How can you apply this verse to your life today?

P: PRAYER

What do you want to say to God concerning what you just read? Do you have a confession, a request, an observation, or something else to share with Him? Write out your prayer for today as it relates to what you read and heard. Pray as you write.

Once you have finished journaling through all of SOAP, think about a few words that could sum up the message of your entries. Write that down at the top of the page as the title.
