

# Welcome to Week 2 of Bible 180!

You've made it through your first week of reading the Bible, cover to cover in just 180 days!

### Way to GOOOOOOO!

**How does it feel?** Are you settling into a routine to read or are you still finding your way in making it happen?

In last week's resource page, I shared a genealogy of Christ. You may want to keep that handy to see how each of the stories you are reading fit into the coming of Christ.

This week I am adding a very basic Old Testament timeline so that you can do the same there.

Right now, things are taking place chronologically, but soon, things will break from that. Keep this week's PDF handy to check where we are in the timeline to minimize confusion.

## Reflection Questions

- What are some of the things that surprised you in the reading last week?
- How do all of these family dynamics sit with you??
- Has anything really stood out to you? What?
- Why do you want to read the entire Bible? (Once you know, write down your 'why' to remind you!)
